1. Saturation is the percentage of the block's rural school enrolment (5th-12th) benefited. (Enrolment data source: NUEPA)

2. Demography and other block details are obtained from Census of India 2011.

3. Beneficiaries details (i.e., students who purchased SoUL) were collected at the time of distribution.

4. Lamp distributed to rural students via schools at INR 120/ lamp.

5. After-sales service was provided free-of-cost through SoUL Repair Centers (SRCs) established at village clusters.

6. Actuals may vary. Coordination includes local expenses such as rent, electricity, campaigning, local logistics, supervision, etc.
